

Hot Chocolate

Not many cookbooks dedicated to chocolate offer up recipes such as 'handsome tiramisu', 'bad boy chocolate pizza' or 'tacky double chocolate fondue', but Max Brenner's does. After starting his Australian chocolate empire in 2000, and then taking on the world, Brenner has put together 65 of his favourite chocolate treats from his private recipe collection in *Chocolate: A Love Story* by Max Brenner (Little, Brown Book Group), \$35, at Max Brenner Chocolate Bars and \$45 in bookstores. Visit www.maxbrenner.com.au.
